

# Brattleboro Literary Festival

## ZOOM HELP

**What is Zoom webinar?** We are all well-versed in Zoom meetings but what is Zoom webinar? Webinar allows us to broadcast all of these wonderful writers to you live — and you can see them but they can't see you (or hear you). So if it's raining all day (yes, it is predicted...) and not only you don't want to get out but you don't even want to get out of your pajamas...we've got you covered! Instead of binging Netflix, you can binge watch the festival all weekend.

### How do I watch it?

Once you register for the festival, simply click on the link in the email you received in the confirmation page after you registered. You will likely get a message that says:

### Waiting for the host to start the webinar

We should be on your screen shortly after that.

### I lost my email—what do I do?

Send an email to [zoomhelpBrattLitFest@gmail.com](mailto:zoomhelpBrattLitFest@gmail.com) and we will resend your link to you.

### I am having trouble connecting, what do I do?

Send an email to [zoomhelpBrattLitFest@gmail.com](mailto:zoomhelpBrattLitFest@gmail.com) and we will help you.

### I have questions for the author—will I be able to ask them?

Yes, there is a Q&A button on your Zoom screen where you can enter questions. If you see someone has already asked the question you were planning to ask, upvote by clicking the thumbs up icon—the most popular questions will move to the top.
